

SPONSORSHIP PACKAGES

The International Forum on Attracting Investments in the Private Sector "Investment in the Future of Turkmenistan" (IFT2025) is intended to become a key platform for discussing investment opportunities in Turkmenistan, opening access to representatives of the public sector, leading entrepreneurs, international financial institutions and investors. Your company will be given the opportunity to become part of the private business development process in Turkmenistan, which is actively supported at the state level. By supporting the Forum, you strengthen your company's reputation as a leading player in the investment sector, demonstrating your interest in developing international partnerships. Your participation in the Forum will highlight the company's contribution to the support of international economic cooperation and the development of private entrepreneurship.
